

FOR IMMEDIATE RELEASE

The Malden Board of Health will conduct an H1N1 vaccination clinic, Saturday, **February 13, 2010** from 1:00 PM to 4:00 PM at the Malden Senior Center, 7 Washington Street Malden. This clinic is open to all Malden residents regardless of age or other health factors. This clinic will service Malden residents only.

Children 9 years of age and younger must receive two vaccinations. If your child needs a first or second vaccination this clinic will accommodate them.

Flu mist (nasal vaccine) will also be available for needle adverse children if they have no health issues that may exclude them – Call 781-397-7049 for more information.

All residents are still at risk for infection and should be vaccinated if they have not already done so.

For more information call 781-397-7049.
